

GREEN HENRY GRANT

Calling all Henry County Master Gardeners!

The Grant

We're thrilled to introduce a new grant opportunity exclusively for our members, aimed at individuals and organizations dedicated to educating and engaging youth and adults in sustainable gardening, horticulture, and environmental stewardship.

Through these grants, HCMG hopes to spark greater community participation in gardening and environmental initiatives that enrich the quality of life and deepen our collective bond with nature. Passionate about a project in your community? Now's your chance to request funds for the ideas and resources you need—let's cultivate a greener, more vibrant future together!

Who Can Apply?

Henry County Master Gardeners! Projects may be awarded up to \$500.

Where Does It Need To Be?

The project must take place in Henry County.

Who Else Is Involved?

At least one other active Henry County Master Gardener must be engaged in the project with you.

Examples of Eligible Projects

- Creating a school or community garden
- Planting trees or pollinator-friendly plants
- Hosting environmental awareness programs
